*Thursday, April 8, 2010  
6:00-9:00pm  
Woodward's Resort  
527 US Route 3  
Lincoln, NH*

Each year Grafton County Conservation District (GCCD) welcomes friends and District Cooperators to our Annual Meeting. It is a time to meet with friends, and learn about new and successful projects your neighbors are working on.

Our guest speaker, Bruce Schwaegler, NH Coverts Cooperator, GCCD Cooperator and NH Tree Farmer, will deliver the Speaking for Wildlife presentation, **New Hampshire's Wild History** - 350 years of changing habitat in New Hampshire. This slide presentation is a virtual journey through New Hampshire's past, focusing on changes in land use and how wildlife populations have responded over time. Learn why changes in habitat in our past are behind the decline of many of our rarest species, and what you can do to help. Bruce will share his own experiences from wildlife improvement activities on his Indian Pond property in Orford. The Schwaegler Family Tree Farm has successfully applied many beneficial wildlife practices to improve habitat and species diversity.

Each year, GCCD presents our Cooperator of the Year and Forest Steward of the Year awards to deserving landowners and/or forest professionals who have demonstrated stewardship of their land through use of best management practices, and outreach to the community. Grafton County Conservation District is pleased to present both awards to the Schwaegler Family Tree Farm! Congratulations to Bruce, Sarah, Andrew and Vicki!
