Yes, I would like to help out sorting plants the week of April 23, 2012

Deadline for placing orders is Wednesday, March 14, 2012

Make checks payable to: Grafton County Conservation District or GCCD
19 Archertown Road, Orford, NH 03777

**Plant pickup will be at Windy Ridge Orchard,
Rte. 116/Benton Road, North Haverhill,
3 miles east on Rte. 116 from monument in North Haverhill
Saturday, April 28, 2012 9:00am - 11:00am**

The way to maximize your success rate is to match the right plant with the right soil and light conditions:

- Keep **Unplanted trees** cool, moist, and out of direct sunlight before planting or heeling in. Heeling in provides temporary care by digging a long trench on the shady side of a building, placing the roots of the plants in the trench and then filling the soil back in.
- Keep **the roots moist** at all times (a warm, dry wind takes only a minute to dry out root hairs).
- Make **holes deep & large enough** to insure that all tree roots are not crowded, upturned or exposed.
